

Support the Shark Conservation Act of 2009 (H.R. 81 / S. 850)

Help stop unsustainable shark harvesting. Close the loopholes that allow shark finning in US waters. Healthy oceans need sharks. Humans need healthy ocean.

The act is currently in committee to be considered for a vote. Senator Kay Baily Hutchison is the head of the committee. Make your voice heard in support of the **Shark Conservation Act of 2009**.
